▶ **Ord.-No.:** 27463

Radio control via app

Almost all radio functions can be controlled via an app on the smartphone, e.g. select a station and adjust the volume.

The logo of the radio station or the album art of the song you are listening to is displayed on the smartphone.

The music stored on the smartphone can be streamed from the smartphone to the radio.

Recommended (free) app for the DR 463:

Android

Apple iOS
